SENSATION-AL!

A blend of fine-grain French Oaks from some of the finest forests in Central France for your red wines.

La Délicate *Main grape variety: Pinot Noir*

A slow, light toast with plenty of water-spraying. This toast envelopes the wine, giving it a delicate oak flavor, highlighting its silkiest tannins. Predominately from the Bertranges / Nevers / Centre forests.

L'Intense *Main grape variety: Syrah*

Toasted slowly to the heart of the stave to reveal its subtle aromas. This toast preserves the wine's freshness, rounds it out and gives a discreet oak flavor. Predominately from the Allier / Centre forests.

TOASTING

Also available in MT and MT+ toasts.

Quartz™ Toast Based on the alchemy of water, this toast is ideal for delicate white wines.

Rubis™ Toast Using a slow, deep and long heat (almost twice as long as a traditional toast) allows for a long aging period.

Basalte™ Toast A closed "traditional" burgundy toast, creates a higher furfural content with nutty characteristics in the length.

Saphir™ Toast A short, deep toast to the heart of the wood. Preserves freshness, gives impactful tannins. Suitable for red and white wines.
